## Description

FenceSafe Dulok Lite offers a traditional general purpose wire fenceline in an on-ground, temporary format and sustainable format. Manufactured from twin 6mm horizontal wires, either side of 5mm diameter vertical wires, Dulok Lite is a durable and low maintenance general purpose fence system. Panels are fixed to steel posts using metal clips with tamper-proof angled returns which are secured in place with pin hex screws for added security. Installed using CLD's unique FenceSafe Base, made from 100% recycled plastic and 90% recycled UK and European steel, both elements of the system can be used over and over again.

## Features

Anti-cut through panels

Flat panel to accommodate debris netting

Steel security clip with security pin hex screw
